## To My Love

A beautiful love is not only a romantic relationship between two people.  
It's also the commitment to share happiness and difficulties for lifetime.

## RING

An engagement ring is a symbol of love. It signifies the bond between each other's hearts and the sacred commitment to love forever.

A set of wedding rings is not just a token of lifelong vows, but also an initiation of promising future. The rings become amulets of love and accompaniment of romance.

## Diamond's 4C

### Cut Color Clarity Carat

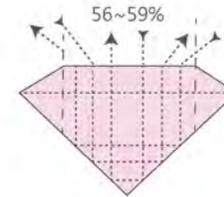

The most common indicator of diamond quality in the world determines the rarity and value of each diamond.

When selecting diamonds for its work, Vivienne Diamant follows extremely high standard.

## Cut

The ratio of how the facets of a diamond and light interact. Cut is the main reason why a diamond can keep sparkling.

An exquisite jewellery can only be appreciated when cut of a diamond is excellent.

All diamonds selected by Vivienne Diamant must have Excellent Cut in terms of Cut.

## Color

The natural colour of a diamond, normally is transparent. But colour may appear yellow, blue, pink, or brown due to the influence of the natural environment.

## Clarity

The purity indicator of the inclusion\* inside a diamond.  
The clarity requires a 10x magnification study to the cleanliness of a diamond.

\*Inclusions can block light reflection and hinder the shine of a diamond.

## Carat

The weight of a diamond,  
Carat alone is impossible to determine the price of a diamond.  
Combing with other 3Cs is essential.

# Romantic

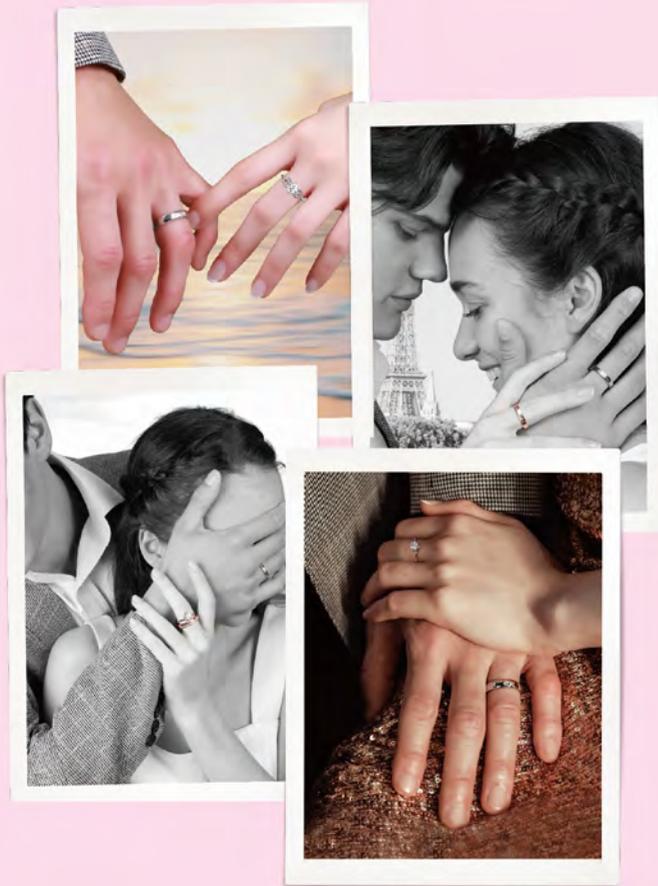

From the moment I met you,  
I have never felt this comfortable, secured, and loved.  
I know our hearts can always rely on each other.

Her presence enlightens your life.  
Our love is like the remarkable sparkles  
that diamonds and platinum create.

Two halves that were meant to  
write life chapters together and travel till the end.
