

“Something About Vivienne Diamant

Every Vivienne Diamant jewellery has been enclosed with the endearment of Sir Diamant toward Lady Vivienne. This undying love commissions the Maison to derive designs from the aura of Lady Vivienne and the unforgettable memories shared by them.

Since 2009 the Maison has rapidly transformed into a leading jewellery design house at the forefront of creating light-luxe jewellery with timeless elegance. Like joyful memories, all creations are very classic and elegant to achieve everyday wearing.

“Women’s Silver

For a woman who likes to stand out, silver is an excellent choice. It's versatile—you can go casual or dressy with it. And because silver jewellery tends to be less expensive than gold, you don't have to worry about it getting scratched or damaged in day-to-day use.
